

Stamper Lane Road Closure

Beginning Tuesday, August 1, 2017 Stamper Lane will be closed due to road construction. The road closure will begin 900 feet west of Godfrey Road and end approximately 100 feet west of the east entrance at Camelot Subdivision. **North Elementary School will have all entrances and exits open to traffic.** Traffic that uses **Stamper Lane to enter and exit the parking lot** to North Elementary School will only be accessible from using Godfrey Road **to Stamper Lane**. Stamper Lane will be closed to all thru traffic during construction. Only homes in the Belmont Subdivision that face Stamper Lane will have access to their homes from Godfrey Road. Access to baseball fields, Glazebrook Park, Camelot Subdivision, Knights of Columbus and Rolling Hills Golf Course will remain open to the public by way of Pierce Lane. The west end of Stamper Lane to the ball fields may have a temporary aggregate road surface during times of construction. This road closure could be in effect until November 9, 2017.
